Welcome to The Buck Country Pub

This will be our 23rd year as your host in this beautiful part of Lancashire. We have been planning ahead to what we hope will be a fabulous 2020 with lots of new and exciting changes to our pride and joy here in Paythorne.

January is always a little bit slow but we have a few cards up our sleeves to try and jog things along. Since being in Paythorne we have seen many changes. Friends who have had young families, and now their children are starting their own families. We have seen people leave Paythorne and replaced with the next generation of young families, and the cycle goes on.

We have made lots of friends through the Ribble Valley Holiday Park over the many years, which is situated 100 yards up the lane, and we thought it would be an excellent idea that we should have an annual get together. A brilliant way of reconnecting our wonderful community. A hub where we can all just get together and chat and catch up.

We will provide a delicious set menu followed by a fun evening with a quiz to follow.
